Structural Design for the Widening &
Rehabilitation of Twenty-six Bridges

April 24, 2004

UTAH DEPARTMENT OF TRANSPORTATION
Standard Request for Qualifications

Project No. SP-15-6(52)241; I-15, Corridor in Utah County
Structural Design for the Widening &
Rehabilitation of Twenty-Six Bridges

SUMMARY SHEET

1. Project Number: SP-15-6(52)241
2. Location: I-15, Corridor in Utah County (I-15, 400 South in Orem to Alpine Interchange)
3. Structure Numbers:
 - (A) F-9, F-13, F-14, F-15, F-16, and F-312 -- Twelve Prestressed Concrete Bridges
 - (B) C-343, C-783, and C-352 -- Six Steel Girder Bridges
 - (C) C-342, C-345, C-346, and C-353 -- Eight Steel Girder Bridges
4. Requested Services: The Consultant(s) will design the rehabilitation and widening of twenty-six bridges.

UDOT may split the design of the bridges into three separate contracts and through one selection process will select one consultant, one consultant team, or three different consultants to perform the work. See Page 10 of this RFQ for further details.

5. Sources of Funding: State Funds
6. Project Administrator:

Gaye Hettrick, Consultant Services Specialist, Utah Department of Transportation, Consultant Services, Box 148490, 4501 South 2700 West, Salt Lake City, Utah 84119-5998, Telephone 801-965-4639, ghettrick@utah.gov

7. Project Management:

Brent Schvaneveldt, Project Manager, Utah Department of Transportation, Region 3, 658 North 1500 West, Orem, UT 84057, Telephone 801-222-3406, bschvaneveldt@utah.gov, will be the project manager for the work described in the RFQ.

8. Advertisement Dates: Saturdays, April 24, 2004 and May 1, 2004
9. Statements Due-Time: **Tuesday, May 11, 2004 at 11:00 a.m.**

Seven (7) copies of the Statement of Qualifications shall be delivered to the Utah Department of Transportation, Office of Consultant Services, 4th Floor NE Corner,

UTAH DEPARTMENT OF TRANSPORTATION
Standard Request for Qualifications

Project No. SP-15-6(52)241; I-15, Corridor in Utah County
Structural Design for the Widening &
Rehabilitation of Twenty-Six Bridges

4501 South 2700 West, Salt Lake City, Utah 84119-5998 no later than 11:00 a.m. on **Tuesday, May 11, 2004.**

Statements of Qualifications will not be accepted after the 11:00 a.m. deadline.

10. Type of Statement Required: In accordance with *Utah Department of Transportation Guidelines for Preparing Standard Statement of Qualifications*.

The Statement of Qualifications has a maximum page-limit of **FIVE** pages.

11. Selection Team Meeting: Tuesday, May 18, 2004

12. Oral Interviews Date: Monday, May 24, 2004

UDOT's intent in selecting consultant(s) for this project is to reduce the time it takes to select a consultant while still preserving the qualifications-based selection process. Therefore, unless there is a tie, the selection will be made by the consultant(s)' ranking on the SOQ. If interviews are required, the interviews will be held on Monday, May 24, 2004.

13. Pre-negotiation Meeting: TBD

14. Information from the Selected Consultant Due By: TBD

15. Negotiation Meeting: TBD

16. Project Completion date: February 28, 2005
